Heart Prints

Whatever our hands touch we leave fingerprints!

On walls, on furniture, on doorknobs, dishes, books,

As we touch we leave our identity.

Oh please, wherever I go today, "Help me leave heart prints!"

Heart prints of compassion, of understanding and Love.

Heart prints of kindness and genuine concern.

May my heart touch a lonely neighbor or

an anxious mother, or perhaps, a dear friend!

I shall go out today to leave heart prints, and if someone should say,

"I felt your touch," may that one sense be....

your LOVE touching through me.....

The family would like you to join them for fellowship and lunch following the service at the Belle Fourche Community Center Theater. We thank you for your presence and condolences.

A Letter From Heaven

*When tomorrow starts without me,
and I'm not here to see,
If the sun should rise and find your
eyes, filled with tears for me.
I wish so much you wouldn't cry,
the way you did today,
While thinking of the many things,
we didn't get to say.
I know how much you love me,
as much as I love you.
And each time you think of me,
I know you'll miss me too.
When tomorrow starts without me,
don't think we're far apart,
for every time you think of me,
I'm right there in your heart*
