***When I'm Gone***

*When I come to the end of my journey  
And I travel my last weary mile,  
Just forget if you can, that I ever frowned  
And only remember the smile.  
Forget unkind words I have spoken;  
Remember some good I have done.  
Forget that I ever had heartache  
And remember I've had loads of fun.  
Forget that I've stumbled and blundered  
And sometimes fell by the way.  
Remember I have fought some hard battles  
And won, ere the close of the day.  
Then forget to grieve for my going,  
I would not have you sad for a day,  
But in summer just gather some flowers  
And remember the place where I lay,  
And come in the shade of evening  
When the sun paints the sky in the west.  
Stand for a few moments beside me  
And remember only my best.*
