

Delbert Leon Eisenhower

With the heaviest of hearts, we say good-bye, for now, to one of the greatest men a wife, son, brother, family member, or friend could ever ask to know. We miss you Dad, but we'll meet up again later!

Delbert Leon Eisenhower was born May 3, 1926, in Wallace, NE, to Harry and Truly Eisenhower. He was the second oldest of seven children: Don, Delbert, Robert, Lloyd, Tom, Howard, and Loren. The family moved from Wallace to Pine Bluffs, WY. Shortly after graduating high school, he followed his older brother Don's lead and joined the Marines.

In 1950, he married Jean L. Jons and they moved to Upton, WY, as Del had been recruited to play town team baseball and work at Pringle Motor Company. While baseball was one of his great loves, he eventually took a full-time position with Pringle's. In the late 70's, Pringle's was destroyed by a fire. He then took a position with the City of Upton as City Superintendent. In the mid 80's, Del and Jean opened the Dairy Del. After retiring from the City, they continued to run the Dairy Del until selling it years later.

Del and Jean raised six boys, Don, Bob, Richard, John, Paul, and Mark. He loved the outdoors and all the adventures it brought. Of course, he enjoyed it best when it involved family and friends.

Del, 93, Upton, WY, died Thursday, July 18, 2019, at the Department of Veterans Affairs, Fort Meade, SD.

He is survived by his wife of 69 years, Jean; and sons, Don, Bob (Donna), Richard, Paul (Samantha), and Mark; along with numerous grandchildren and great-grandchildren.

He was preceded in death by his father, Harry; mother, Truly; brothers, Don and Robert; and son, John.

In lieu of flowers, a memorial has been established at FirstTier Bank – PO Box 560, Upton, Wyoming 87230.

Condolences may be sent to the family at www.kinkadefunerals.com.

The family invites you to join them for fellowship and lunch at the Upton Community Center following the Celebration of Life service. We thank you for your presence and condolences.

Brother Delb

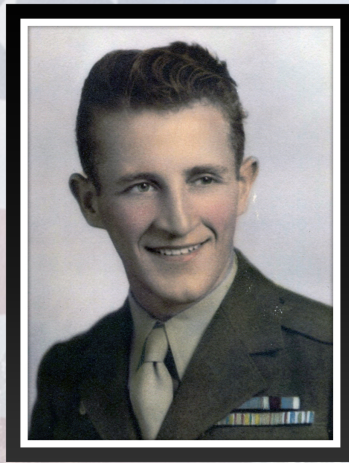

***A life well lived has come and gone,
and it's up to us to carry on.
Delb did right well we all agree
and left a lasting legacy.***

***He did his best with what he had,
he had great respect for his mom and dad.
We got along with one another,
we were proud to have him as a brother.***

***He served his country as a Marine,
then met his future wife named Jean.
They raised six boys and taught them how,
to hunt and fish, they're grown men now.***

***He was a real good baseball player,
and also served as Upton's Mayor.
As city manager he left his mark,
when he helped create the city park.***

***Delb did his share it's plain to see
for family, friends and community.
He was a "doer" he had the "spark",
he was our family patriarch.***

HERE IS JUST A FEW OF DELBERT'S QUOTE'S

**Here's to it, and to it again.
And if you can't do it, lead me to it and I'll do it.**

**Here's to the top and here's to the bottom
and if there was no bottom there'd be no top.**

Mess with the bull, you get the horns.
