Weep Not For Me

Weep not for me though I have gone Into that gentle night
Grieve if you will, but not for long Upon my soul's sweet flight
I am at peace, my soul's at rest There is no need for tears
For with your love I was so blessed For all those many years
There is no pain, I suffer not The fear is now all gone
Put now these things out of your thoughts In your memory, I live on
Remember not my fight for breath Remember not the strife
Please do not dwell upon my death But celebrate my life
