In Loving Memory

A New Journey Begins

There's a place I've never seen beyond this world we know, A place I've only heard of but someday hope to go -It's not on any map, there are no roads to take me there, But it's a place of perfect peace where hearts are free from care. And though I understand some may be saddened when I leave, One day, we all will meet again that's what I believe... When it's time to travel there, I think I'll wear a smile, I'll say good-bye to those I love, but only for a while, Knowing there are others who have traveled there alone, Who cannot wait to greet me and to whisper "welcome home."
