Doug Hansen

Doug Hansen, age 64, of rural Garden City, died tragically on Sunday, September 13, 2020, along with his wife Tina (Karber) Hansen, in a plane accident in Brown County near Groton, SD.

Douglas Mark Hansen was born November 17, 1955. He was the youngest of four children born to Jack E. Hansen and Betti Lou (Peterson) Hansen.

Doug was born for adventure and loved motorcycles, fast cars and at the age of 14 he began to develop his passion for planes. His knowledge and skill were honed by his mentors, Dick Hendry and Don Givens in the early 70's.

Doug became an ag pilot and founded Hilltop Aerial Inc. which served Clark and surrounding counties for many years.

Doug married the love of his life, Tina Karber, on Valentine's Day in 1991. Their marriage blessed them with two sons, Jed in 1993 and Caleb in 1996.

Everything Doug did in his life he did with his whole heart. He loved farming, nature, hunting, and traveling to new places. He was born, raised and spent his entire life in South Dakota.

Doug was a loving husband, a wonderful father, a fun and caring brother and most of all, an amazing person. He will be missed by his many friends and family, but most of all by his two sons.

Preceding Doug in death were his grandparents and parents.

Doug is survived by his sons, Jed and Caleb Hansen; siblings, Wendy Crabtree of Bradley, Jack (Joyce) Hansen of Garden City, Holly Hansen of Campobello, SC; as well as countless other family and friends.

Fly High and Free Doug, and know how much you are loved.

Tina Hansen

Tina Hansen, age 55, of rural Garden City, died tragically on Sunday, September 13, 2020, along with her husband, Doug Hansen, in a plane accident in Brown County near Groton, SD.

Tina Bernice (Karber) Hansen was born in Watertown, SD, December 26, 1964, to Roger and Linda (Graves) Karber, the second of five children.

She attended Clark Schools, graduating in 1983. During school she was active in basketball, gymnastics, choir and band, playing percussion and piano. She even reigned as homecoming queen her senior year.

After graduating she attended North Dakota State School of Science, now College of Science. She studied computer programming for two years, receiving her associate's degree in 1985.

After college she moved back to Clark and worked for Riddle's Jewelry in Watertown.

Tina married Doug Hansen on Valentine's Day in 1991. They celebrated their two sons, Jed in 1993 and Caleb in 1996.

Tina worked in the IT Department at Creative Home Furnishings in Webster before transitioning to Avera Health Plan out of Webster.

Tina was one who would love to tell you a story and you usually had to allow yourself plenty of time because she was one who did not leave out any details. Tina enjoyed everything she did in life. She loved taking her dogs on daily walks, riding her airdyne and her horse, and collecting unique items such as throwing knives, marbles, and mini pistols- to name a few! One would say she even collected cars. Beyond her collections was her love for shopping. If it was something that she really liked she would buy it in every color the company had. Tina also continued to carry her love of music. She would play the piano and sing in choirs regularly. Even today, Tina would be able to sit down and play her favorite, "Music Box Dancer," from memory. Tina truly was a gracious person and a friend to everyone.

Preceding Tina in death were her grandparents.

Tina is survived by her sons, Jed and Caleb Hansen; brothers, Brian (Dianne) Karber of DeSmet, Bill Karber of Clark; sisters, Lisa (Ronnie) Clausen of Clark, Tresa (Todd) Hemmingson of Bradley; along with countless other family and friends.
