2 Samuel 22:3-4

The God of my strength, in whom I will trust; my shield and the horn of my salvation, my stronghold and my refuge; my Savior, You save me from violence. I will call upon the Lord, who is worthy to be praised; so shall I be saved from my enemies.

Family Tree

A limb has fallen from the family tree. I keep hearing a voice that says, "Grieve not for me." Remember the best times, the laughter, the song. The good life I lived while I was strong. Continue my heritage, I'm counting on you. Keep smiling and surely the sun will shine through. My mind is at ease, my soul is at rest. Remembering all, how I truly was blessed. Continue traditions, no matter how small. Go on with your life, don't worry about falls I miss you all dearly, so keep up your chin. Until the day comes we're together again.

Prayer of St. Francis of Assisi

Lord, make me an instrument of your peace: where there is hatred, let me sow love; where there is injury, pardon; where there is doubt, faith; where there is despair, hope; where there is darkness, light; where there is sadness, joy. O divine Master, grant that I may not so much seek to be consoled as to console, to be understood as to understand, to be loved as to love. For it is in giving that we receive, it is in pardoning that we are pardoned, and it is in dying that we are born to eternal life.

Afterglow

I'd like the memory of me to be a happy one. I'd like to leave an afterglow of smiles when life is done. I'd like to leave an echo whispering softly down the ways, Of happy times and laughing times and bright and sunny days. I'd like the tears of those who grieve, to dry before the sun; Of happy memories that I leave when life is done.

From Your Children

Love remains, in laughter, tears, and gentle pains.

A mother's love does not depart, it lives forever in each of our hearts. Rest now, Mom, in perfect peace, Your work of love will never cease. Forever your children.

From Your Daughter

Until we meet on heaven's shore, I'll carry you, through my heart, to my core. Forever your daughter, proud and true, All that I am is because of you.

For My Sons ,

There's a very special place within my heart reserved for all of you It's a place where I store precious memories of your childhood: The Little Things You Said Or Did That memories of your childhood: Endeard you to me, the sound Of your laughter, the sight of your tears All of this I have saved Those years were so precious, but oh, how quickly they passed! Now, before me stands my sons no longer boys, but men. As I look at you, I want You to know that I am filled with pride for the fine, decent person that you have become Even through all of this has happened too fast, I am grateful beyond words for the happiness which you have brought me. I love you deeply, Sons, and I thank you for adding so much joy and laughter to my life!

A Sister Like You

Someone who will understand, Who knows the way I feel, In every situation, Her concern is very real, Someone who has walked my ways, Who knows my every need, Times when she would see me cry, Her heart would nearly bleed, Everyone should have a sister, Just the way I do, Richly blessed is what I am, To have a sister like you

"Family... Where love is everything, and yours is so well known... that through anything that life can bring you never feel alone. Here, hopes and dreams are always on the rise. When you're with family you're helped to see life through loving eyes."
