*The family invites you to join them for fellowship and lunch at the church immediately following the committal service.
We thank you for your presence and condolences.*

Nothing ever dies or ceases to exist; you only grow and evolve.

Therefore, if you make someone suffer, you only make them stronger (that is if they follow the rules).

Otherwise, you will just become an empty shell until you can overcome what ill's you.

By understanding the rules you become balanced with your energy.
