Obituary

Jesse Lee Patterson was born on August 11, 1988 to the late J.L. Patterson and Caroline Graves in Toledo, Ohio. On Friday, April 8, 2022, Jesse took his transition from labor to reward.

Jesse was educated in the Toledo Ohio public school system and graduated from Life Skills High School. Jesse was an introvert by nature which contributed to his chill, laid back nature. He worked several jobs throughout his life. Jesse lived the better part of his life in Toledo, before settling in Clio, Alabama in 2021.

Jesse had a long-term relationship with Jessica Brown, the mother of his children and a very supportive friend.

Jesse was preceded in death by his father, J.L. Patterson; mother, Caroline Graves; and brother, Joseph Patterson. He leaves to cherish his memory his children, Jessean (J. Lee) and Jessiah (Baby Girl) Patterson; siblings, Tracey Graves, Lonnie (Dawn) Graves, Scott Graves, John Graves, Bridget (Calvin Jones) Graves, Christopher Graves, Stephanie Patterson, Tracy (D.A.) Glasby, Steven Patterson, and Derrick Patterson; and a host of family and friends.
