

In Loving Memory Of

*“An Angel in the
book of life wrote
down my baby’s
birth
and whispered as
she closed the
book,
‘too beautiful for
earth’”*

*The family invites you to join them for fellowship and a meal
in the church hall, following the committal.
Thank you for your presence and condolences.*

*In lieu of flowers a memorial has been established to
St. Martin’s Chapel.*

*Hello, my precious baby
I will think of you everyday,
my perfect little angel
that God says cannot stay;*

*He has another plan for you
with no skinned knees or pain,
a perfect little angel
to make rainbows after rain.*

*Though you won't be with me
I know you won't be far,
my perfect little angel
the brightest shining star.*

*My arms were made to hold you
forgive me if I cry,
my perfect little angel
It's hard to say goodbye.*
