In Loving Memory Of

Audrey Ellen Meyer

1920 ~ 2017

*Mother keeps a Garden
A Garden of the heart
She seeds it with love and labor
To get a heady start*

*We flourished with her attention
Just a few weeds here and there
We lavished in her sunshine
She protected us from fear*

*Mom's Garden grows forever
Our bright colors hold her light
As sunshine is her legacy
We are the reflection of her life*

*If you ever see a Garden
Pretty flowers without blight
Think of three little seeds of happiness
Grown up tall to the heavens height*

*Yes, Mother keeps a Garden
We will bloom eternally
We stand tall in our Glory
The result of her majesty*
