Until We Meet Again

We think about you always,

We talk about you still,

You have never been forgotten,

And you never will.

We hold you close within our hearts

And there you will remain,

*To walk and guide us through our lives,
until we meet again.*

Richard Eisenhower

Donald “Donn” Eisenhower

On March 25, 2020, Donn started a new adventure when he passed away at Weston County Health Services in Newcastle, WY.

Donn was born Donald Andrew Eisenhower on July 8, 1950. He was the first of six brothers born to Jean and Del Eisenhower.

Donn was good at football and track and had several medals. He was proud of his accomplishments.

Donn mostly worked in the oil fields and started his career right out of high school. He married Carla Benson and to this union two children were born, Kirby and Kori. The couple divorced and Donn moved to Alaska to work in the oil fields, but also added gold mining and commercial fishing. In the winter he had a taxi business in Juneau. After an extended time in Alaska, Donn returned to the oil fields in the lower 48.

He was well known for his abilities in the oil industry, being a driller and tool pusher of the highest caliber. He worked for many companies, from New Mexico to North Dakota, and Alaska to Texas. Donn finally settled in Newcastle and retired in 2014.

Donn always had projects to do. Just before he passed, he said he couldn't die, he had too many projects to do. That was Donn, he lived his life his own way and was very stubborn about it.

He played cards every Thursday night with his poker buddies, and wouldn't miss it for the world. His nature and outgoing manner made it so he had a lot of friends. His best friend was Mike Farnsworth. It was a treat to watch them together. They argued about everything, but if Donn needed anything, Mike was the first one there to help.

Donn was a good son, and brother. He was always there to help with Del and Jean.

He is survived by his mom, Jean; brothers, Bob (Donna) of Upton, WY, Paul (Quelin/Samantha) of Surprise, AZ, and Mark of Bryan, TX; his son, Kirby (Tanya), and grandchildren, Faith and Tyler, all of Gillette; and daughter, Kori (Ryan) Meredith and grandchildren, Mia and Owynn, all of Spearfish, SD; many aunts, uncles, and cousins.

Donn was preceded in death by his dad, Delbert; and brothers, Richard and John.

Richard Eisenhower

Richard Eisenhower passed away peacefully on March 6, 2020, at his home in Surprise, AZ., surrounded by his family and love from abroad. Richard shouldered a noble battle with cancer, and chose to keep that battle private.

Richard was born December 17, 1953, in Newcastle to Delbert and Jean Eisenhower of Upton, WY. Richard was the middle child in a family of six boys.

Growing up, Richard was active and loved wrestling, and playing football. Richard enjoyed cruising the streets of Upton and hanging out with his friends. In 1971, Richard enlisted in the U.S. Navy, and served in the Vietnam War then he later stationed in Subic Bay in the Philippines. After his time in the service, he returned to the United States where he traveled the country visiting and working in Wendover, Alaska, Ely, Mesquite, Indian Springs, Wyoming, Texas, Oklahoma, and Utah. Richard owned and operated a successful asphalt business in Murry, Utah, before ultimately settling in McGill, Nevada, where he worked for Kinross Gold for the past decade.

Richard was a loving father, brother, son, and grandpa. He cared deeply for all those around him and was not afraid to show his compassion and love. He cherished spending time with his daughter, Tiffany and loved to shop for her, buying the cutest outfits he could find and surprising her with them anytime he came home from a trip. He enjoyed spending time outdoors and would frequently take his family out camping, fishing, and enjoying nature walks. He was a strict and protective father who made sure his daughter, Tiffany had the right influences in her youth and instilled a sense of tenacity and hard-headedness in her. His strict parenting did not mean he wasn't a "fun father" because he most certainly made sure to bring smiles across many children's faces rather, they be in a relation to him or complete strangers. He would routinely buy flashing superballs in bulk so he could surprise the neighbor kids with them. He received the utmost enjoyment by making a child's day more fun and adventurous. Richard was a very proud grandpa and loved spending time with his grandchildren.

Richard loved his many Dachshunds. He was an avid fisherman, marksman, handyman, and outdoorsman. If something needed to be fixed, he could take care of it himself. Richard enjoyed all music, especially "good country" music, and he always had the best playlists. His friends at "Racks" Bar in Ely, Nevada, always enjoyed his jukebox selections the most. He also had a love for cars his family would tease him for "having his own car lot". He certainly did not depend on mechanics to do maintenance work on his vehicles; he took care of it himself! He was a remarkable man who made a positive impression on this world and will be deeply missed by many.

Richard is survived by his mother, Jean; siblings, Donn, Bob (Donna), Paul (Quelin), and Mark; children, Tiffany, Erica, and Delbert.

Richard is preceded in death by his brother, John; and father, Delbert.
