

Remember Me

Dear I'll see you one fine day
Another place, another way
Hold me close deep in your heart
And in that way we'll never part
Do the things we liked to do
If not for me than just for you
Tell the kids I love them so
And show them all the love we've known
Smile and let your heart be free
Know you'll always be with me
Your love, it let me live again
And now anew you must begin
I'll be there for the things you do
And always be a part of you
You'll see me with each song you sing
As the twinkle in your wedding ring

Riley Jacob Timmons was born July 24th, 1980 in Sturgis, SD to John and Cathy (Wenzel) Timmons. He attended rural schools at Enning and Maurine SD and high school in Faith, SD. Later he attended Western Dakota Tech in Rapid City. After receiving his degree in mechanics, he accepted a position at Thunder Basin Ford in Gillette, WY, Halliburton, and then Rawhide Coal Mine. As a child he loved riding bicycles, riding horse, playing in the sandbox, making his own toys with electrical tape, fishing, and many years in 4-H. In high school, he was a proud Longhorn football player proudly wearing the #58, which was later worn by his brothers. When not in school activities and working after school, he worked in the family catering business and on the ranch. He loved tinkering from a young age and working on small engines before he was even a teenager. He worked, played, and fought with his four siblings.

Riley married Marissa McCaskill on a beautiful September 22, 2012 and together they had two beautiful girls, Autumn and Harper. He absolute cherished all of his girls. He loved spending time with his family whether it be a house project or watching Dinners, Drive-Ins, and Dives, or dancing in the kitchen with the kids while momma cooked.

Riley died suddenly of a massive heart attack at home on March 27th, 2021 at the age of 40. He is survived by his beloved wife Marissa and their two daughters, Autumn and Harper; his parents John & Cathy Timmons; siblings Bonnie, James, Robert, and Charles (Darlene) Timmons; multiple in-laws as well as many nieces, nephews, cousins, aunts and uncles.

He was preceded in death by his paternal and maternal grandparents.
