

IN LOVING MEMORY

A DIFFERENT PAIN ...

by: Shakila Mack

*This kind of pain hits different, like no other.
The hurt that you feel when you lose a brother,
The emptiness you feel leaves tears flowing.
It's like the stars in the sky are no longer glowing,
I reach for your hand, but you are no longer here,
I wish this hurt would disappear.
Brother, I love you, I can't believe you're gone,
I see you in your children, and for them, I'll be strong.
But since you left, I feel so broken.
It's like trying to breathe, but I can't stop from choking.
Brother, I love you, I miss you so much, Chris,
Sweet Dreams Brother, Love forever, Your Sis ...*
