Waiting in the Light

*When you wake up tomorrow
And grief takes your breath away
Know I watch over you
And walk with you each day*

*Though, unseen, I stay close by
We're never far apart
The love we share gives testament
To all that's in your heart*

*I see the way you struggle now
To hold your head up high
I'm proud of you because I know
How very hard you try*

*I wish I could hold you close
And ease the pain you feel
I want so much to talk to you
And promise that you'll heal*

*One day you will see me again
Once more within your sight
I'll be right here to walk you in
I'm waiting in the light*
