### ***MOTHER LIKE MINE***

By: Kimberly, Neil & Reid Perry

*She's the sky that holds the clouds  
She's the lady of the house  
A blind believer in all I dare to be...  
There's no safer place I've found  
Than the shoulder of her white nightgown  
Oh, I've got the best and the worst of her in me...  
And I'd share her if I could...  
So the wars would all be over  
Cause she'd raise us all as friends  
And no one would ever wonder  
If somebody wanted them  
We'd walk on grass that's greener  
And our cares would all be free'r  
If the world had a mother like mine*
