God, grant me the serenity

To accept the things I cannot change;

The courage to change the things I can

And the wisdom to know the difference.

Living one day at a time;

Enjoying one moment at a time;

Accepting hardship as the pathway to peace,

Taking, as He did, this sinful world as it is;

Not as I would have it;

Trusting that He will make all things right

If I surrender to his will,

That I may be reasonably happy in this life

And supremely happy with Him forever in the next.

Amen
