I'm Free

Don't grieve for me, for now I'm free
I'm following the path God laid for me.
I took His hand when I heard Him call
I turned my back and left it all.

I could not stay another day
to laugh, to love, to work or play.
Tasks undone must stay that way.
I found that peace at close of day.

If my parting has left a void
then fill it with remembered joy.
A friendship shared, a laugh, a kiss,
ah, yes, these things I too will miss.

Be not burdened with times of sorrow
I wish you the sunshine of tomorrow.
My life's been full, I've savoured much,
good friends, good times, a loved one's touch.

Perhaps my time seemed all too brief,
don't lengthen it now with undue grief.
Lift up your hearts and share with me
God wanted me now:
He set me free.
