

Don't fill your hearts with pain and sorrow but remember me in every tomorrow.

Remember the laughter, smiles, and all the wonderful memories we were able to make as we enjoyed our time together down at the lake.

Although my leaving is causing pain and grief, just know I'm up here fishing on heaven's shores. May that give you some relief.

So dry your eyes and remember the happy times. That 300 pinochle hand and a boogieboard buried down in the sand.

Always! Remember I'll forever be right by your side, so continue to sing my favorite songs on car rides.

When tomorrow starts without me and the full moon is shining bright, just know I'm up here enjoying a Tom Collins, dancing in the moonlight.
