In Loving Memory Of
James Fredrick Burrer
January 16, 1952 ~ June 23, 2021

*Do not stand at my grave and weep
I am not there.
I do not sleep
I am a thousand winds that blow.
I am the diamond glint on the snow.
I am the sunlight on the ripened grain.
I am the gentle autumn rain.*

*When you awake in the morning hush,
I am the swift uplifting rush
of the birds in circling in flight.
I am the stars that shine at night.
Do not stand at my grave and weep
I am not there. I do not sleep.*
