

Heaven's Little Angel

You're one of Heaven's angels now
A perfect little star,
And when you shine the world can see
How beautiful you are.

May you fly with magic wings
On clouds so soft and white,
May your heart be joyful
And your days be bathed in light.

And though our hearts are broken
And your life was far too short,
We thank you, sweetest angel,
For the happiness you brought.
