

From His Children

MY HERO

*You held my hand when I was small
You caught me when I fell.
You're the hero of my childhood and my later years as well.*

*And every time I think of you my heart still fills with pride.
Though I'll always miss you Dad I know you're by my side.*

*In laughter and in sorrow, in sunshine and through rain,
I know you're watching over me until we meet again.*
