We thank you for your presence and condolences.*

***Thanks,
Dad.....***

*Many men are strong,
but very few have been able
to mix the right amount of strength
with a proportionate amount of gentleness.
In doing so, you get a man you can admire,
respect, and look up to, but also a man you
can talk to who will understand and listen.*

*All our lives our father has given us...
a feeling of security. No matter where we go
or what happens to us, we've always known
he's been back there watching patiently
should we need him.*

*This security has given us
the strength to stand
on our own many times.*
