

If I Should Go Tomorrow

Little did we know that God was
going to call your name that evening.
in life we loved you dearly, in death er do the same
It broke our hearts to lose you, you did not go alone;
for part of us went with you, the day God called you home
You left us peaceful memories, your love is still our guide
& though we cannot see you, you are always at our side.
Our family chain is broken, and nothing seems the same;
but as God call us one by one, the chain will link again.
love your granddaughter ~ Talaya
