

"Family Chain"

*If Love could have saved you
You would not have died.
If tears could bring you back
You'd be by my side.*

*It broke our heart to lose you,
But you did not go alone;
For part of us went with you
The day God called you home.*

*God takes us one by one
And breaks the family chain.
But somewhere in a better land
Our chain will link again.*

"When I Must Leave You"

*When I must leave you for a little while
Please do not grieve and shed wild tears
And hug your sorrow to you through the years
But start out bravely with a gallant smile;
And for my sake and in my name live on and do
all things the same,
Freed not your loneliness on empty days,
Reach out your hand in comfort and in cheer
But fill each waking hour In useful ways,
And I in turn will comfort you and hold you near;
And never, never be afraid to die.
For I am waiting for you in the sky*
