Dear Family and Friends,

Shirley was a woman of faith and family, and you didn't have to be related by blood to be part of her family. Her life was a testament of her faith and love for all of us. We believe that, along with us, you will each carry a part of her within your hearts to treasure.... her kindness, her guidance, her friendship, but most of all her wonderful sense of humor.

We would like to express our sincere gratitude to each of you for your genuine love and concern, your many kindnesses, visits, flowers, dark chocolate, and most of all, your words of encouragement and prayers. They have been an overwhelming source of comfort to us.

We would especially like to thank Patrice Campbell, Dr. Nitin Govani, Millie and all the exceptional staff at Ennis Court for their loving care of Shirl over the past several years.

Therese and Kevin

Love and Jellybeans,

Shirl

When.....

*We lose someone we love,
We must learn not
To live without them,
But, learn to live with
The love they left behind.*
