

### **Darren J.C. Bubba" Jacobsen**

Darren James C. Jacobsen was born February 16th, 1983 in Sturgis, SD. He graduated from Sturgis Brown High School in 2001, and from there, studied Graphic Arts at USD in Vermillion. He was an active member of the Lambda Chi Alpha Fraternity and a member of The Strollers.

Bubba was a friend to anyone he met. He had a big heart and gave the best Bubba hugs. He enjoyed golfing, boating, 4-wheeling in his bronco, "The Pickle", watching football, hanging with his dog, Tonka, playing with his nieces and nephews, and listening to music.

He was a natural artist and enjoyed lengthy random conversations that never led to anything productive, but gave you an insight into the mind of "The Bubs".

A memorial has been established in memory of Bubba and his struggles, to aide in other's suffering, in hopes of avoiding similar circumstances. Thanks to everyone for your kind words, prayers and thoughts during our time of grief.

Darren J.C. Jacobsen "Bubba" passed away at Rapid City Regional Hospital on October 15<sup>th</sup>, 2015, surrounded by family and friends.

Bubba is survived by his parents, Jim and Donna Jacobsen; brothers, Dan (Stacie) Jacobsen of Piedmont, SD, and Dave (Jen) Jacobsen of Spearfish, SD; uncle, John (Becky) Morrison of Floresville, TX; cousins, Jami (Krista) Morrison of Whitewood, SD and Lacy (Adam) Elrod of Floresville, TX; nieces Madi, Ella, Jordy and Riley Jacobsen and Allie Morrison; and nephews Tommy Jacobsen, Jackson Morrison, and Khy Volk.

### ***In Loving Memory Of***

***Darren J.C. "Bubba" Jacobsen***

***1983 ~ 2015***

Each one of us here today will at one time in our lives look upon a loved one who is in need and ask the same question: We are willing to help Lord, but what, if anything, is needed? For it is true we can seldom help those closest to us. Either we don't know what part of ourselves to give, or more often than not, the part we have to give is not wanted. And so it is that those we live with, and should know, elude us. But we can still love them – we can love completely without complete understanding.
