

*The child we had,  
but never had  
And yet will have  
forever*

Love in every tear - author unknown  
O precious, tiny, sweet little one  
You will always be to me.  
So perfect, pure, and innocent  
Just as you were meant to be.  
We dreamed of you and of your life  
And all that it would be.  
We waited and longed for you to come.  
And join our family.  
We never had the chance to play,  
To laugh, to rock, to wiggle,  
We long to hold you, touch you now  
And listen to you giggle.  
I'll always be your mother,  
He'll always be your dad.  
You will always be our child,  
The child that we had.  
But now you're gone...but yet you're here  
We'll sense you everywhere.  
You are our sorrow and our joy,  
There's love in every tear.  
Just know our love goes deep and strong  
We'll forget you never--  
The child we had, but never had  
And yet will have forever!
