I'd like the *memory* of me
to be a *happy* one.
I'd like to leave an *afterglow* of smiles
when day is done.

I'd like to leave an *echo*
whispering softly down the ways...
Of happy times, & *laughing* times,
and bright and sunny days.

I'd like the *tears* of those who grieve
to dry before the *Sun*,
Of happy *memories* that I leave behind
when day is done.

She'll Always Be Remembered

She'll always be remembered
As a woman, both strong and good,
Who gave her best for others
And who did the best she could.
She'll always be remembered
For all the joy she brought,
As a woman who made a difference
And a woman who meant a lot.
