In Honored Memory

In Loving Memory Of

Gary L. Graff

June 2, 1949 — October 15, 2022

Gary was born June 2, 1949, in Huron, South Dakota, to Leslie and Florence (Roth) Graff. Gary was the second eldest child of five. He graduated from Huron High School in 1967, and later joined the United States Air Force.

Gary worked at North Western Public Service for 32 years, and then followed his true passion for

woodworking and he started up his own business Classic Woodworks. Gary's woodworking skills were limitless. Gary was a hard-working man and you could always find him working on new projects at all hours of the day. He was a very giving man and was always thankful for those in his life.

Gary is survived by his siblings, Linda (Bob) Peterson, Richard Graff, Mike Graff and Janet Graff; his nieces and nephews, Valarie Berg, Les (Leslie) Graff, Richard Jr. (Lisa) Graff and Kristie Kahre; and many dear friends.

Gary was preceded in death by his parents and nephew-in-law, Chad Kahre.
