### Going Home

Going home, going home I am going home  
Quiet like, some still day I am going home

It's not far, just close by Through an open door  
Work all done, care laid by Never fear no more  
Mother's there expecting me Father's waiting too  
Lots of faces gathered there All the friends I knew  
I'm just going home No more fear, no more pain

No more stumbling by the way

No more longing for the day

Going to run no more Morning star light the way  
Restless dreams all gone Shadows gone, break of day  
Real life has begun There's no break, there's no end  
Just living on Wide awake, with a smile

Going on and on, going on an on

Going home, going home

I am going home

Shadows gone, break of day

Real life has begun

I'm just going home

*In Loving Memory*
