A Golden Heart Stopped Beating

**A golden heart stopped beating,
Hard working hands at rest,
It broke our hearts to see you go,
God only takes the best.**

**They say that memories are golden,
Well maybe that is true,
But we never wanted memories,
We only wanted you.**

**Your life was love and labor,
Your love for your family true,
You did your best for all of us,
We will always remember you.**

**We sat beside your bedside,
Our hearts were crushed and sore,
We did our duty to the end,
'Til we could do no more.**

**In tears we watched you sinking,
We watched you fade away,
And though our hearts were breaking,
We knew you could not stay.**

**Our lips cannot speak how we loved you,
Our hearts cannot tell what to say,
But God only knows how we miss you,
In our home that is lonely today.**

Thank you for your presence and condolences.
