In Loving Memory

Phillip James Hohm
April 26, 1945 — April 24, 2024

Phillip James Hohm, the son of Clarence and Ida (Hofer) Hohm, was born on April 26, 1945, at Huron, South Dakota. Phil attended the Sunflower Country School and graduated from James Valley Christian School. He then continued his education at Tabor College at Hillsboro, Kansas.

He was baptized in the James River by the Rev. George L. Classen in 1955. He was a life-long member of the Bethel Mennonite Brethren Church of rural Yale. He was active in the church choir and had served as a Sunday School teacher.

In 1967, Phil got his private pilot's license and was involved in flying new airplanes from Vero Beach, Florida to the Huron area. He also was a member of the Civil Air Patrol at Huron.

In August of 1968, he married Vicki Kleinsasser and they had one daughter, Amy. They later divorced, but remained close friends. Vicki passed away January 23, 1998.

From 1978-1984, Phil did over the road trucking, hauling meat to California and Oregon and bringing back produce to the Minneapolis area. For most of his life, he has been involved in farming, raising sheep, soybeans, corn, sunflowers, wheat and alfalfa.

In 1984, Phil became a charter member of the Pheasants Unlimited, Inc. He was past president and secretary/treasurer of the organization.

In 1994, he became a charter member of the Windriders A.B.A.T.E. chapter of Huron. Since then, he also served on the board of directors for the A.B.A.T.E. of South Dakota. As a Windrider member, Phil served in many roles, and was honored as member of the year. Since 1997, he wrote monthly columns for the Freedom Flyer, the A.B.A.T.E. of South Dakota's newsletter.

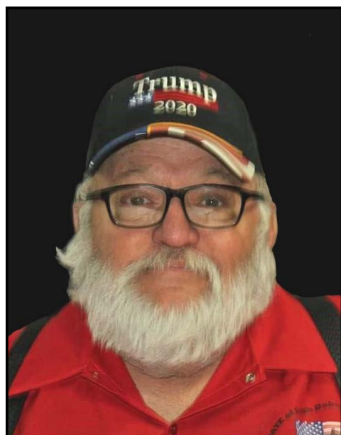

Phil was a charter member of the Christian Motorcycle Association the Heartland Gospel Riders of Huron, where he served in many roles.

Some of Phil's hobbies included photography, snowmobiling, riding his Harley, showing his 1946 Ford Street Rod at car shows, hunting, collecting guns of all kinds, riding dirt bikes, riding his side by side in the Black Hills, and having fun with his grandkids, Ellie and Jacob Kempf.

On July 28, 2007, Phil married Norma Schnathorst at Huron. Phil and Norma traveled with their Harley trike in all the states west of the Mississippi River. They rode to California riding through ten states. They also rode to Glacier Park and across Canada. Phil and Norma drove their 1946 Ford Street Rod to the "Back to the Fifties" in St. Paul, Minnesota in 2015. Norma passed away April 15, 2016.

Phil married Pamela Isackson on July 9, 2022, at Vale, South Dakota. They enjoyed going to car shows, talking motorcycles, and visiting family together.

Phil was preceded in death by his parents; two wives,
