### The Walk

Come with me,  
Let's walk towards the sun.  
The road seems far away.  
I promise, it is not long,  
but if by any chance  
you get tired along the way,  
please, do not hold back,  
and rest easy on my chest.  
And listen to my heart,  
the things it wants to say.  
It says,  
"I Love You,  
I Love You"  
with every beat it makes.
