Memories Build a Special Bridge

By Emily Matthews

*Our memories build a special bridge
when loved ones have to part
To help us feel we're with them still
and soothe a grieving heart.*

*Our memories span
the years we shared,
reserving ties that bind,
They build a special bridge of love
and bring us peace of mind.*

*If tears could build a stairway
And memories a lane
I'd walk right up to heaven
And bring you home again*
