### *A Handmade Gift*

*A gift that's handmade is a gift not replaced  
Entrapping sweet memories that can't be erased  
The time and the talent that goes into crochet  
Is where the real gift lies when giving art away  
Made with two hands and the love of one's heart  
Handmade is extraordinary and a true work of art.  
So when receiving handmade rather than store bought  
Know in your heart that someone loves you a lot!*
