

Love You Forever & Always

Momma, we know you loved us with everything in you. You would always be there for us no matter how big or small the situation was, although it was always big in Kiara's eyes. If we needed something you would make it happen no matter what kind of position it would put you in. You taught us so many things in our lifetime that we will forever cherish. You would always tell us things like "learn your true friends" and "never back down from anyone or anything" and we know it seems like we never listened, but we always learned you were right one way or another. Without you, we would have been lost in this world. You made us who we are today and we will be forever grateful. We love and appreciate you more than you would ever know. We will love you forever & always.

Acknowledgments

Obituary

Nichelle Finn, beautifully known as "Monique", was born July 29, 1975 to the late Dorothy Jackson and Frank Finn. She graduated from Grace H. Dodge Vocational High School in 1993. She continued her education at Wallace Community College, earning an Associate's Degree in Nursing and furthered her education to become an LPN. She was a loving, dedicated and caring nurse for 18 years, spending the majority of her career at Oakview

Manor Nursing Home. She passed away unexpectedly at home in Ozark, Alabama on Sunday, August 15, 2021 at the age of 46.

Knowing Monique was equivalent to knowing a hard-headed bull who had a heart of gold. Some see her as mean, smart mouthed, and an attitude like she did not give a care in the world, but it was nothing but love (for the right ones). She would do anything in this world for the ones she loved with no hesitation.

She is survived and greatly remembered by her children, Khalil Thigpen and Kiara Griffin. She is forever cherished by her brother, Rodney Robinson (Mary) and nephew, Aidan. Monique also leaves a beloved, life changing friend, Bertram Griffin. In addition, Monique leaves her cousin that was more like a sister, Roshanda Rivers, and her best friends, Yamisha Gray-Griffin and Natasha Fenn; and a host of aunts, uncles, cousins, friends, and the Oakview Manor community.
