## Even Though I'm Leaving

Song by Luke Combs

Daddy, I'm afraid, won't you stay a little while?  
Keep me safe 'cause there's monsters right outside  
Daddy, please don't go, I don't wanna be alone  
'Cause the second that you're gone they're gonna know  
Before he went to bed he grabbed my hand and said  
Just 'cause I'm leavin'  
It don't mean that I won't be right by your side  
When you need me  
And you can't see me in the middle of the night  
Just close your eyes and say a prayer  
It's okay, I know you're scared, I might be here  
But I'll always be right there  
Even though you're leavin', I ain't goin' nowhere  
Before he went to bed he grabbed my hand and said

Just 'cause you're leavin'  
It don't mean that I won't be right by your side  
When you need me  
And you can't see me in the middle of the night  
Just close your eyes and say a prayer  
It's okay, I know you're scared, I might be here  
But I'll always be right there  
Even though you're leavin', I ain't goin' nowhere  
Daddy, I'm afraid, won't you stay a little while?  
I never thought I'd see the day I had to say goodbye  
Daddy, please don't go, I can't do this on my own  
There's no way that I can walk this road alone  
Well, daddy grabbed my hand and said  
Just 'cause I'm leavin'  
It don't mean that I won't be right by your side  
When you need me  
And you can't see me in the middle of the night  
Just close your eyes and say a prayer  
It's okay, boy, I ain't scared  
I won't be here, but I'll always be right there  
Even though I'm leavin', I ain't goin' nowhere  
I ain't goin' nowhere

SERVICES IN CARE OF

Furness Funeral Home

Clark, South Dakota

In case anyone is wondering about the name of the Cemetery, Gavin picked out Genesis because it means: the origin or mode of formation of something; generation, creation; the beginning; to be born. The N3574E was the first airplane that Marty and Cindy rebuilt—from the time that they rebuilt it, they decided that it was going to be the secret “code” or way they would communicate to each other if one of them past on—that would be how they would know the other was there. They kept that and reminded each other of that right up until this past Easter (many, many years in other words). This is our way of communicating to Marty. . . Our Dad, Grandpa, and one of our greatest friends.
