

### **“Well Done”**

What will it be like when my pain is gone  
And all the worries of this world just fade away?  
What will it be like when You call my name  
And that moment when I see You face to face?  
I'm waiting my whole life to hear You say

Well done, well done  
My good and faithful one  
Welcome to the place where you belong  
Well done, well done  
My beloved child

You have run the race and now you're home  
Welcome to the place where you belong  
What will it be like when tears are washed away  
And every broken thing will finally be made whole?  
What will it be like when I come into Your glory  
Standing in the presence of a love so beautiful?  
I'm waiting my whole life for that day  
I will live my life to hear You say

Well done, well done  
My good and faithful one  
Welcome to the place where you belong  
Well done, well done  
My beloved child
