

How do we thank the village that raised us? How do we thank the village that has carried us this past year? Led by our mother's example, we humbly and graciously say thank you from the bottom of our hearts.

We know that so many have shown up for us especially this past year because of the goodness of people, and for how our mother has shown up for others throughout their lives. None of this was lost on her or us. Thank you for the thousands of prayers said, cards sent, and phone calls made from near and far. Even though we couldn't respond to each one, please know we shared those with her and she was so incredibly grateful, as were we.

Thank you to the health workers and caregivers who lovingly cared for our mother. Family and friends stepped up in beautiful ways for which we are deeply grateful. We would like to especially acknowledge our cousin, Colleen Campbell, the ultimate caregiver of all of us. Thank you so very much.

Finally, our heartfelt thanks to each of you for your presence, support and countless acts of kindness during this difficult time. Your love has been a source of strength and comfort to us. We know that you will always hold our beautiful mother in your hearts, and that knowledge will sustain us.

Please join us for a luncheon at Brennan's Banquet Center, 13000 Triskett Rd, Cleveland, OH 44111 immediately following the interment at Holy Cross Cemetery. Bridgie's life celebration will continue at P.J. McIntyre's Irish Pub following the luncheon.

With love and gratitude,  
Tom, Mary, Margaret, Erin and our families
