*Miss Me – But Let Me Go*

*When I come to the end of the road  
And the sun has set for me,  
I want no rites in a gloom-filled room  
Why cry for a soul set free.*

*Miss me a little – but not for long  
And not with your head bowed low  
Remember the Love that we once shared  
Miss Me – But let Me Go.*

*For this is a journey we all must take  
And each must go alone  
It's all a part of the Master's plan  
And a step on the road to home.*

*When you are lonely and sick of heart  
Go to the friends we know  
And bury your sorrows in doing good deeds  
Miss Me – But Let Me Go*
