

Max Maurice Marr

Max Maurice Marr was born May 27, 1935, in Coyville, KS, to Joseph and Alpha (Bentley) Marr. While still in Nursery School, he met the young lady that would become his wife, Janice Williams. They dated all through High School and they married on April 11, 1954, at Elko, NV. They were married 62 years and together for 77.

Max served in the United States Navy during the Korean Conflict as a Yeoman First Class. On his return from war, Max entered college at the University of Northern Colorado at Greeley, eventually graduating with a Master's Degree in education. After graduation, Max took a teaching position in Pendleton, OR. In 1963, Max joined the FBI as a special agent. He spent 23 years in the Bureau ending that career in 1986 in Grand Junction, CO. After retirement, Max started and operated his own private investigators service for a number of years. Max was an avid hunter and fisherman, spending many family filled hours in the field and on the water.

Max, 81, Rapid City, died Thursday, July 7, 2016, at Fountain Springs Healthcare in Rapid City after a prolonged illness.

Max is survived by his wife, Janice N. Footprints in the Sand

One night I dreamed a dream,
I was walking along the beach with my Lord,
Across the dark sky flashed scenes from my Life.
For each scene, I noticed two sets of footprints in the sand,
one belonging to me and one to my Lord.

When the last scene of my life played before me
I looked back at the footprints in the sand.
There was only one set of footprints.
I realized that this was at the lowest and saddest times of my life.

This always bothered me and I questioned the Lord about my dilemma.
"Lord, you told me when I decided to Follow You, that
You would walk and talk with me all the way.
But I'm aware that during the most troublesome
times of my life there is only one set of footprints in the Sand.
I don't understand why, when I needed You most, You leave me."

He whispered, "My precious child,
I Love you and will never leave you and never, ever, during your trials and testing's.
When you saw only one set of footprints
it was then that I carried you."
