A Woman to Praise - Mrs. Mary Jane Thomas

Her God with his divine power reached down and took our rose from our tree
She lived with us a life over a century, She loved her Lord with all of her heart

Remembering the times she would say "If you don't work you don't eat"

Sharing these words with everyone she met, Loving her children outweighs the best

Teaching all to put God first, she will always say "It's in God's hands"

For our life the Good Lord knows the plan.

Cakes, pies and candy you made too, Every Saturday night that's what she'll do
She left us with a legacy for us to remember, She did it all with her love so tender

She came to the end of this earthly life, She earned her wings now you can fly

She'll be missed, but not gone, To a place prepared her Heavenly home

Her memories in our hearts will linger on

Written with many memories.

I'll miss our phone calls and your support

Ella Yvette Frazier

Love

Mother, when I think of all that you have done for our family, and all the love you have so generously poured from your heart. I feel humbled there will never be enough gratitude to offer you. I love you very much, and I am proud to be your child.

- Mary Jean Taylor

His Lord said unto him, Well done, good and faithful servant; thou hast been faithful over a few things, I will make thee ruler over many things; enter thou into the joy of thy Lord

- Matthew 25:23
