I'M FREE

Don't grieve for me, for now I'm free
 I'm following the path God laid for me,
 I took His hand when I heard him call
 I turned my back and left it all.

I could not stay another day
 To laugh, to love, to work or play.
 Tasks left undone must stay that way.
 I found that place at the close of the day.

If my parting has left a void
 Then fill it with remembered joy.
 A friendship shared, a laugh, a kiss.
 Ah yes, these things, I too, will miss.

Be not burdened with times of sorrow.
 I wish you the sunshine of tomorrow.
 My life's been full. I savored much.
 Good friends, good times, a loved one's touch.

Perhaps my time seemed all too brief;
 Don't lengthen it now with undue grief.
 Lift up your heart and share with me
 God wanted me now, He set me free.
