

*To be read to my
Children & Grandchildren*

I Am With You Always!

To Those I Love & Those Who Love Me

When I am gone, release me, let me go.

I have so many things to see and do.

You mustn't tie yourself to me with tears.

Be happy that we had so many years.

I gave you my love, you can only guess,

How much you gave to me in happiness.

I thank you for the love you each have shown,

But now it's time I traveled on alone.

So grieve a while for me if grieve you must.

Then let your grief be comforted by trust.

It's only for a while that we must part,

So bless the memories within your heart.

I won't be far away, for life goes on.

So if you need me, call and I will come.

Though you can't see or touch me, I'll be near.

And if you listen with your heart, you'll hear

All of my love around you soft and clear.

And then, when you must come this way alone,

I'll greet you with a smile and "*welcome home*".

God's finger touched her and she slipped away

From earth's dark shadows to a brighter day;

God saw the road was getting rough,

The hills were hard to climb;

He gently closed her weary eyes,

and whispered "Peace be thine."

To a beautiful garden our loved one has gone,

to a land of perfect rest;

Though she is gone she still live on

in the garden of memory.
