

A Message for My Children

*When the day comes that no more tomorrows I shall see,
one of my biggest regrets will be not being able to be
there at your side should you need me.*

*My wish for you then will always be,
that your lives are long and happy,
and that you follow your dreams
wherever the road may lead.*

*When you look back
and I am but a memory,
I pray that you always remember
That you were, are and always will be
deeply loved by me.*

A Letter From Heaven

*When tomorrow starts without me,
and I'm not here to see,
If the sun should rise and find
your eyes, filled with tears for me.*

*I wish so much you wouldn't cry,
the way you did today,
While thinking of the many things,
we didn't get to say.*

*I know how much you love me, as much as I love you,
And each time you think of me, I know you'll miss me too.*

*But when tomorrow starts without me, please try to understand,
That an angel came and called my name, and took me by the hand.*

*And said my place was ready, in heaven far above,
And that I'd have to leave behind, all those I dearly love.*

*So when tomorrow starts without me, don't think we're far apart,
For everytime you think of me, I'm right here in your heart.*
