

# Kimberly B. Fromm-Demille

July 29, 1978 – January 20, 2026

**Kimberly "Kim" B. Fromm-Demille**, 47, Kewaunee, passed away unexpectedly on Tuesday, January 20, 2026, after a series of strokes and seizures. She was born in Ann Arbor, MI on July 29, 1978, to Brad Fromm and Susan (Zess) Fromm.

Kim found joy in traveling, especially her trips to the Michigan International Speedway, and she loved the Bellagio in Las Vegas. She had a special bond with her and Bob's dog, Dozer, and their cat, Elanor. She showed them the same love and care she gave everyone in her life.

Those who knew Kim knew her as more than a friend; she was instant family. Her loyalty was unmatched, her compassion genuine, and her support was endless. Kim's determination shone through as she faced numerous health challenges with grace and resilience. Even at the end, her generous heart continued to give – Kim was an organ donor whose final act of kindness provided the gift of life to others through the donation of her lungs, liver, kidneys, and pancreas.

Kim is survived by her fiancé, the love of her life, Bob Caswell; her father Brad Fromm; her stepchildren, Blake Caswell and Brittany Caswell; step grandson, Liam; her best friend and "adopted sister" Salina (Ryan) Burtnett and their children, Nolan, Selma, and Hurley; further survived by aunts, uncles, nieces, and nephews. She was preceded in death by her grandparents and an aunt.

Kim will be deeply missed by her family and friends who were blessed to know her warmth and boundless love. There will be no services for Kim. Kinnard Funeral & Cremation Services, Kewaunee, is assisting the family. Online condolences can be shared at [KinnardFCS.com](http://KinnardFCS.com).
