## GONE TOO SOON

Words cannot describe the loss I feel saying farewell to you,  
but heaven chose to give you wings and now it's time you flew.  
I wish that we could have more time, that God had let you stay.  
Forever would not be long enough, but I would take one day.  
I wish I had just one more chance to see that tender smile.  
To laugh with you again my dear. Just for a little while.

Gone too soon, but not forgotten.

Forever you will remain, my guiding light,  
my shining star, until I see your face again.

## MY DADDY

You may be out of my sight, but you will never be out of my heart.  
I may not see your face, but I will always remember your smile.

I will never hear your voice again,  
but you will forever whisper in my ear.

I never got to say goodbye,  
to tell you how much you really meant to me.  
One day we will meet at Heaven's Gate and I will be with you again.

This time is will be forever.
