

In Loving Memory

Agnes Hofer

January 14, 1932 — December 22, 2022

May I tell you the greatest thing that ever happened to me.

Has something like this ever happened to you?

1. My life & attitude before Christ

My life was not too much different then now - That is what I do and don't do, but my attitude was changed, so if your attitudes ~~were~~ changed, your life style will change too.

2. How I became aware I needed Christ

It was pointed out to me that I was a sinner and if I would be lost without Christ, I would spend eternity in hell. But if I accepted Christ, I would ^{be saved} spend eternity with him.

3. How I became a Christian The verse - Behold I stand at the door & knock. If any man hear my voice & open the door, I will come in. - It was my hearts door that he was knocking at, & the latch was on the inside, so I had to open my and let him in.

4. What being a Christian means to me
That I will spend eternity with Christ

Has this ever happened to you
