*God grant me the Serenity
To accept the things I cannot change,
Courage to change the things I can,
And the Wisdom to know the difference.*

*Living one day at a time,
Enjoying one moment at a time.
Accepting hardship as a pathway to peace,
Taking, as he did, this sinful world as it is,
Not as I would like it.*

*Trusting that he will make all things right,
If I surrender to his will.
That I may be reasonably happy in this world
And supremely happy in the next.*
